APPROVED OF STATE ENGINEER Overruled May 20, 1970; hearing Elko, Nevada.

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

In accordance with and subject to the State Engineer's ruling of May 20, 1970, this reservoir permit is issued subject to all existing rights on the source, and also subject to the provisions of NRS 535.010. The amount of water to be stored is limited to 10,000 acre-feet per annum and beneficial use must be made through secondary permits, as provided in NRS 533.440.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed cubic feet per second.

Actual construction work shall begin on or before July 24, 1971

Proof of commencement of work shall be filed before August 24, 1971

Work must be prosecuted with reasonable diligence and be completed on or before July 24, 1976

Proof of completion of work shall be filed before August 24, 1976

Application of water to beneficial use shall be made on or before

Proof of the application of water to beneficial use shall be filed on or before

Map in support of proof of beneficial use shall be filed on or before

Commencement of work filed IN TESTIMONY WHEREOF, I ROLAND D. WESTERGARD
Completion of work filed State Engineer of Nevada, have hereunto set my hand and the seal of
Proof of beneficial use filed my office, this 24th day of July
